

Section View:

Note *: These dimensions are approximations and depend on the length and shape of your crown moulding, and how sharp you want the reflected light to look on the wall. We suggest you test this distance on a small area, before moving forward with the full installation.

Key Legend:

- Wall
- Aluminum Flat Bar
- Crown Moulding
- RGBW LED Strip
- Control Board on Attic
- DMX Splitter
- Meanwell 12V PSU
- DMX-CON4V2
- Power Cable
- DMX Cable
- RGBW Cable
